Azienda informatica

A stage with eight spotlights illuminating a central area where the text "CAD / FA / HF" is displayed.

CAD / FA / HF

A high-angle, wide shot of a massive, dense crowd of people, likely at a festival or public event. The crowd is composed of individuals of various ages and ethnicities, filling the entire frame. In the center, a bright red rectangular box contains the text "La dimensione del problema" in white, sans-serif font. The text is split into two lines: "La dimensione del" on the top line and "problema" on the bottom line. The background shows a vast expanse of people, with some individuals in the foreground more clearly visible than others further back, creating a sense of scale and density.

La dimensione del
problema

Principali cause di morte

Vantaggi per il paziente

- Assistenza domiciliare
- Possibilità di contatto “diretto” con il medico
- Empowerment sulla malattia

Vantaggi per i medici

- Tempestività nell'identificazione delle criticità del paziente
- Più informazioni su cui basare le scelte clinico/terapeutiche
- Ottimizzazione delle risorse

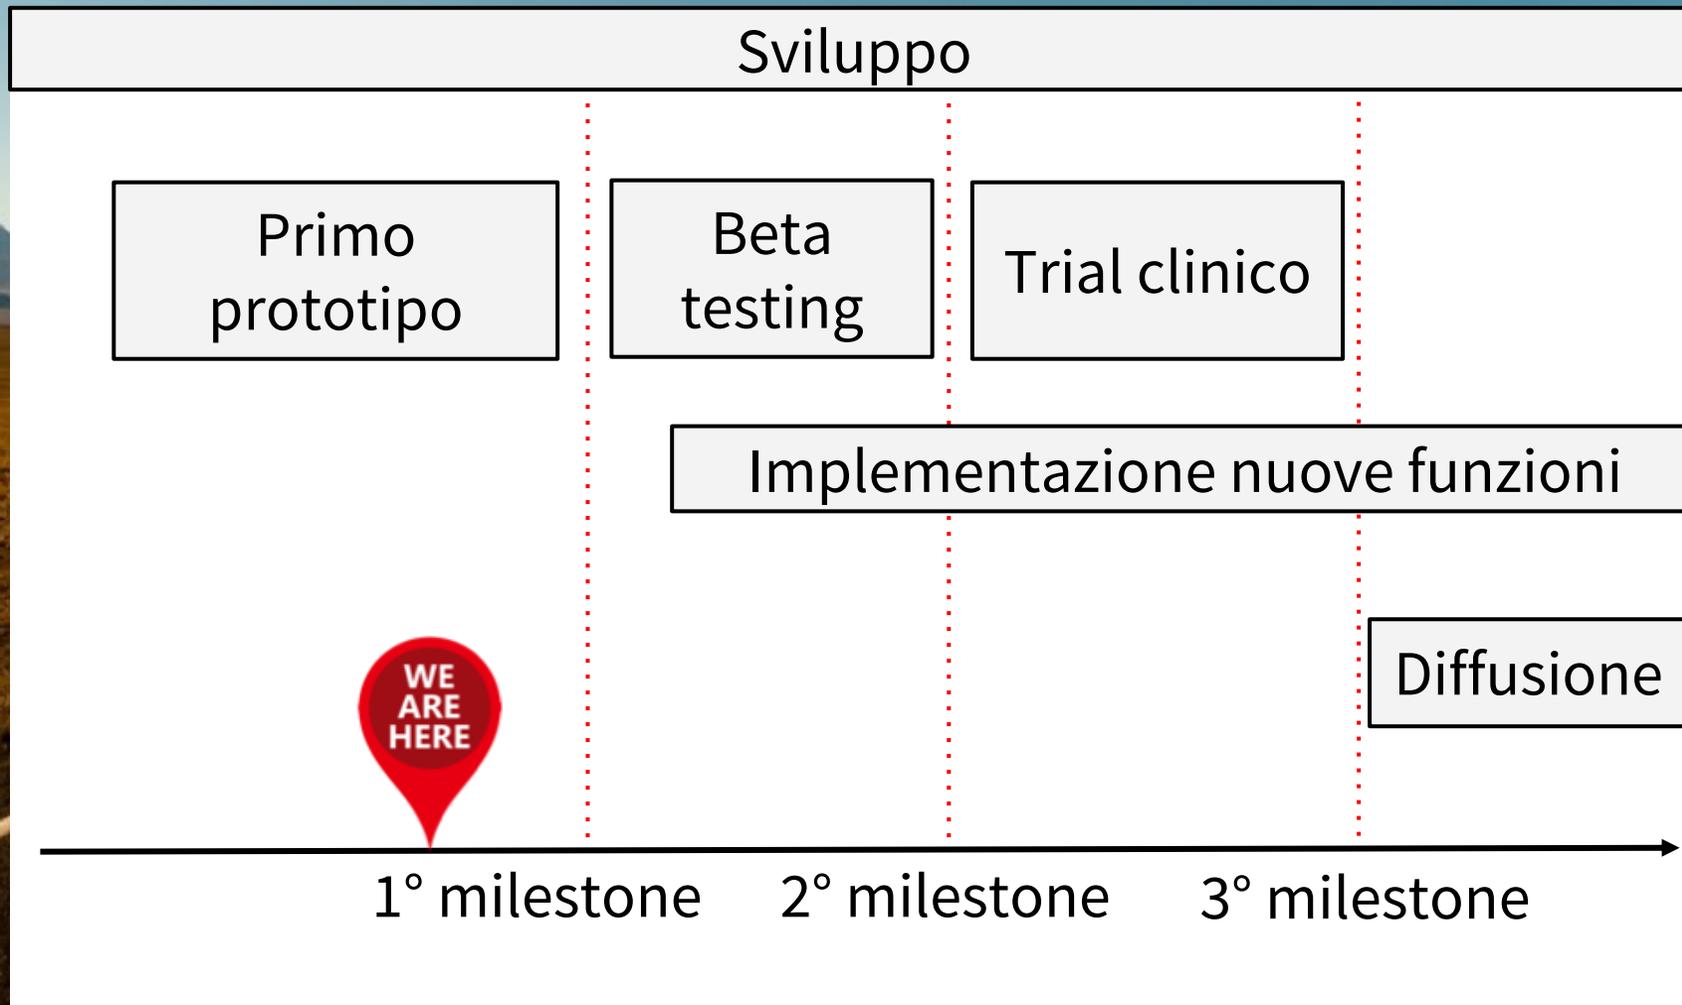

Vantaggi per la ricerca

Valida fonte di dati scientifici su:

- reale aderenza terapeutica
- reale implementazione delle norme comportamentali
- analisi di banche dati di grandi dimensioni → Big Data

Roadmap

Grazie per l'attenzione!
